## **Temporary River Advisory on the Little Miami Rivers South of Old 3C Highway Has Been Removed**

The Warren County Health District has been notified by the Warren County Water & Sewer Department and the Ohio Environmental Protection Agency that the sewer main breach has been repaired this morning. Untreated sewage is no longer being discharged to the river. The Warren County Health District is removing the advisory in the Little Miami River south of Old 3C Highway in Warren County.

We encourage river users to follow the typical precautions including:

Avoid drinking river water

Avoid swallowing water when swimming.

Avoid getting water shot up your nose when swimming, especially in warm shallow water.

Avoid swimming or wading in with open wounds or cuts.

Don't swim if you are ill.

Shower with soap and clean water after swimming.
